Laura

I'm so glad that I found such a nice and sweet girl to be my friend. I think you are a very sweet girl. I appreciate all the things you've done for me in the years past (especially all of the trips to the mailbox). We've had many good times together and I'm sure those at home will be even better.

I've never met a girl with such a motherly touch, so patient and understanding. Sometime you will make some man a wonderful little wife and these kids can never realize how lucky they are to have a mother like you.

Please keep your pretty and sweet smile and I'm sure it will go far in your life.

May God richly bless you in all your life. We all know that if God <sup>isn't</sup> acknowledged in our lives, how empty and hollow they would be.

Come to see me after we get out of school and we established as ~~residents~~ adults.

I never will forget you.

Laura! It's been so nice to know you. I've depended on you so many times, and you've been so many times, and many many times. Anyone who meets you loves always, and I'm sure that they have found a true friend which is the essence of happiness. Luck do always be with you. I hope you will come to see me. Dear friend

Lance.

I have enjoyed going to  
school all these years. I hope  
you the best of luck always.  
a friend

Lance,

It has been a pleasure to have you in my class these few years. Just wish that ally us could have together more. You certainly are a sweet girl and very understanding. I just wish that I could go to E.C. with you all next year, but you'll have to come to see me, whenever I go to school.

The many times that we have been together have been wonderful experiences, & wish there were more to come in high school life.

Don't forget where I live, and come to see me. I'll be thinking about you next year at school.

When you get sick come to see me. I'll do my best. Best of luck always. I know you'll succeed.

Among our most pleasant memories are those of our senior year.

"Your lost friends are not dead but gone before.  
Advanced a stage or two upon that road  
Which you travel in the steps they trod."

Aristophanes---FRAGMENT

Luther Shelton Denning  
December 16, 1937-April 12, 1954

He lived happily, always seemed gay, and left a pleasant and comforting memory to each of us.

We will remember him not for any given word, but for the total impact of his friendliness and willingness to do anything.

He was our friend. We worked and lived happily together. We were together in love and deed. He loved us and the love that we have for him will linger in our hearts always.

## In Appreciation

Very understanding, patient, friendly, and willing to help--these are valuable traits to be possessed by a person. It is because teachers possess these that our schools have reached the high standard they have today.

Because of her constant interest in our future, most of our accomplishments will be due to her guidance.

In these few words our feelings are partially expressed, but in our hearts she has won and will always hold a very dear spot.

To express our warm and heartfelt gratitude, we, the Senior Class, gratefully dedicate the 1956 GRANNAWAYNE to Miss Elizabeth Lewis.

Lavree,

I know next year will never be the same without all my girls. You have been a big help to me and I will miss you very much. The unknown lies ahead of you but with your ability you will have no trouble conquering it. It was a thrill to have this class dedicate the annual to me. <sup>TY</sup> to have this class dedicate the annual to me. Best wishes for a happy and successful future.

E. Lewis P.S. Best wishes to the very lucky man.

Mr. R. L. McDonald  
Principal

You have been a very fine student, with high ideals. Keep them always. Go to college and develop the talents you have. Best Wishes. R. L. McDonald

Laurie, Grannawayne Workers

Our most wonderful

year have come  
near an end. ~~With~~  
~~the fun we have~~ ~~I think of all~~  
The annual staff has worked hard compiling and preparing the material necessary for our 1956 GRANNAWAYNE.

We would like to thank the teachers for their patience and co-operation in our absences from class. We also wish to thank the students for their co-operation when asked to help.

Last of all, but not least, a warm and hearty thank-you to the second year typing class for helping with our ads.

We hope you, the owners of our edition, will enjoy it as much as we, the staff, have enjoyed preparing it.

Had it makes me sad to think about they are over but next year we can have great fun, can't we? Laurie, you are a sweet girl. You are so determined in not letting things get you down and I admire that. I won't forget all our fun together. I hope you will be successful (I'm sure you will) and everything turns out real good for you. You have that cheerful expression for everyone. When we get "grey headed" we'll have dinner together and recall all these our wonderful years. Love you! Mary Ellen

## *Class History*

We, the graduating class of 1956, began our journey through high school in 1952 with Mr. Carey Barnes and Mr. Eugene Driver as our homeroom teachers. That year we lost a number of students, but were privileged to gain Ivor Joyce Giddens. To represent our class on the basketball teams were Mary Ellen Porter, Bobby Speight, and Jimmy Cox.

The high-light of the year was our class party. We enjoyed a weiner roast at Stevens' Mill. Several of us went to the movie afterwards.

To greet us in the tenth grade were Miss Jean McCaskill and Mrs. Lenore Cox. Very much to our disappointment, the girls' and boys' homerooms were separate.

Ester Thornton joined us that year, but we lost some boys. They were: Estel Godwin, James Wise, and Charles Harrell.

Our hearts were saddened by the loss of another classmate, Shelton Denning, but memories of him still live with each of us.

This year our class party was at Goldpark Lake. We enjoyed swimming before our picnic supper. Most of us enjoyed a movie afterwards.

Our Junior year was filled with many activities which were welcomed to break the routine of classwork.

To guide us that year was Miss Elizabeth Lewis. Our play, "Oh Promise Me", was a big success. Our class party was held again at Goldpark Lake. We enjoyed a weiner roast and hamburger fry. Again the event wasn't complete for some of us without a movie.

The wedding bells rang this year for several of our girls. They were: Helen Surles, Ester Thornton, and Joyce Giddens.

The high-light of the year was our Junior-Senior Banquet. We had lots of fun preparing for it and trying to keep it secret. It was a gay occasion with Hawaiian music and hula girls as waitresses.

We were glad to have a part in graduation this year. We had lots of fun fixing the arches for Class Night, and trying to sing.

On September 1, 1955, 35 dignified and happy seniors gathered in the senior room to reach our last and long awaited goal in high school. For our homeroom teacher, we were very fortunate to have Mrs. Doris Jones.

Our first meeting was to elect our class officers. They were: President, Jimmy Cox; Vice-President, Alice Rose Mozingo; Secretary, Lavee Hollowell; Treasurer, Joseph Thain; Reporter, Betty Lou Martin.

After a few weeks, work was begun on the annual. We were given two days to collect ads.

Wedding bells rang this year for Betty Alice Warrick and Bobby Caulder.

March was welcomed because it took some of us out of class to practice our senior play. Although all of us could not be in the play, we had a part to do.

May, the long-awaited month with all its glamour and excitement, was here at last. It was the Juniors' time for the banquet. It was a gay occasion and one that we will always remember.

On May 23, 1956, 32 happy, but sad seniors walked down the aisle. We realized that this was our last time as a class together. Tomorrow we would go out into the world alone to seek happiness and success.

Lavel,

May your happiness  
be the best to a girl who  
deserves it. I have enjoyed  
being a close friend and all  
the good times we have had  
together although I hope this  
is not good-bye because I am  
looking forward to next year.  
Best of luck and happiness to  
a very sweet girl.

Love,

Alice Fayl
